

NEW HAMPSHIRE SUPREME COURT

3JX ORAL ARGUMENT LIST

July 19, 2006

The cases listed are scheduled for oral argument on July 19, 2006. The order of the argument is subject to change by the court. Each attorney or party scheduled to present oral argument must check in with the receptionist **10:00** a.m.

The moving party is responsible for presenting and transmitting any portion of the record necessary to decide the questions of law presented by the case. (See generally Supreme Court Rules 13 and 14).

3JX Procedure

The procedure for cases assigned to the 3JX docket is set forth in Supreme Court Rule 12-D. Cases assigned will be heard by a panel of three supreme court justices. Each side will receive five minutes of uninterrupted argument. Questions may be asked after the allotted time has expired. Persons presenting oral argument should assume that the justices are familiar with the facts and should proceed directly to the merits.

The panel will issue a written decision, which must be unanimous. Any case in which the justices disagree or which they believe should be the subject of a full written opinion will be referred to the full court in accordance with Rule 12-D.
